

Participation Agreement

2021-2022

As a participant in this program, you have responsibilities. Be sure to keep a copy of your NC REACH/ ETV forms and other information for your own records. **Remember: Participating in one or both programs means you understand, agree, and will comply with all the following requirements:**

To receive NC REACH/ ETV funding:

- I must reapply every year after July 1 to be eligible for funding that school year: www.ncreach.org or www.fc2sprograms.org.
- I must receive my financial aid award letter from my college showing my Pell Grant has been processed.
- If I do NOT receive an email from NC Reach/ ETV after completing my online application, my email address is not working. I must go to www.ncreach.org or www.fc2sprograms.org to 1. Log in using my Username and Password and 2. Fix my email address and anything else that needs to be updated.
- I have read the NC Reach/ ETV program information at www.ncreach.org or www.fc2sprograms.org and I understand the application process. The online application is Part 1, budget form and signed participation agreement is Part 2, and if I am a returning student, the official transcript from my last NC Reach/ ETV funded semester is Part 3. Part 4 is talking with my coordinator.
- For private and out of state school students ONLY:** At the start of each term, I will fill out the top half of the financial aid release form and give it to my school's financial aid department to complete and email to NC Reach/ETV program.

Once I have been funded by NC Reach/ ETV:

- I must communicate with my NC Reach/ ETV coordinator by phone at least once a month. *IF I DO NOT STAY IN REGULAR COMMUNICATION, MY FUNDING MAY BE AFFECTED.***
- I will meet in person with my NC Reach/ETV coordinator at least once a semester to discuss my plans, concerns, successes and academic progress. *IF I DO NOT MAKE A REASONABLE EFFORT TO MEET WITH MY COORDINATOR, MY FUNDING MAY BE AFFECTED.***
- I must have my own personal email address. I will check my email at least once a week for emails from NC Reach/ ETV and will reply as required.
- I understand that I must make Satisfactory Academic Progress (SAP) and maintain a minimum GPA of 2.0 (C average in my classes) to continue receiving financial aid. If I fall below a 2.0 GPA in a term, I will work with a Coordinator to develop an Academic Success Plan (SSP) that will help me identify areas for improvement and develop the academic and life skills needed to achieve my academic goals. If I fail to raise my GPA above a 2.0, make Satisfactory Academic Progress, or complete 67% of my registered credits the following semester, I understand that this may affect my financial aid eligibility.
- Before I withdraw from any class(es) or drop out of school, I will notify my NC Reach/ ETV coordinator by phone in order to remain eligible for future funding.
- To receive continued funding from NC Reach/ ETV, I will request that my registrar's office mail an **official** transcript of my grades at the end of each term to: 23811 Chagrin Blvd., Suite 210 Beachwood, OH 44122 OR email an electronic copy to NCETVpaperwork@statevoucher.org.
- I will update my NC REACH/ ETV profile immediately if ANY of my contact information (email, address, telephone, etc.) changes: www.ncreach.org or www.fc2sprograms.org
- NC Reach funds are available for four academic years only and will cease on my 26th birthday. All ETV funding ceases on my 23rd birthday.
